OUR 1934 INTRODUCTION

CLARA BARTON

An immense informal decorative facing slightly upwards on a long, straight stem, twelve inches to first set of leaves. Face of petals silvery orchid, reverse of petals deep lavender, general effect lavender; bloom of wonderful substance. Bush growth medium height; a very prolific bloomer that never stunts. Root, \$6.65; plant, \$3.35.

SONNY BOY

Our giant old rose slightly striped and tinged old gold informal decorative dahlia that made an excellent record the past year. It grows 11x8 inches, and sometimes over a foot across, in the open field without fertilizer or irrigation. We believe it will grow larger than any other dahlia without fertilizer. It is a hardy variety, insect resisting and makes a good bush of medium height; is a very prolific bloomer; flower stems good. Root, \$6.65; plant, \$3.35.

VISIT OUR GARDENS

during blooming season. Here you will see thousands of plants of standard varieties growing in the fields, besides a large number of second and third-year seedlings.

See our "America's Sweetheart" and "Golden Hoard" growing in their natural state.

We grow ten to twenty thousand new seedlings every year. Come and note the great percentage of high class dahlias our seeds produce.

GREEN PLANTS

We strongly recommend green plants. Our plants are from base cuttings and grown under moderate heat and well rooted and should produce a good crop of roots. They are sufficiently hardened to stand shipment to any part of the United States at any time after May 1st. Complete Green Plant List ready about March 10th. Send for a copy.

ROOTED CUTTINGS

We will have rooted cuttings of practically all the varieties on this list besides many of the 1934 introductions. Shipment can be made any time after April 1st. Reasonable prices will prevail throughout our entire list. Get your copy early.

DAHLIA SEED

We offer a limited amount of seeds of Sonny Boy and Clara Barton at \$10.00 per hundred. These seeds proved 100% double the past year. From twenty-nine Sonny Boy seedlings we saved nine that are as promising or more so than the parent itself.

Packet of 100 seeds, selected from the most outstanding varieties, \$5.00.

Packet of 100 seeds, mixed varieties, \$2.50.
